#### Requirements to Participate:

The following requirements are required for your trip. If you do not meet or complete the following requirements prior to your trip, <u>you will be removed from the trip without refund</u>. These requirements are necessary to maintain safe and enjoyable trip experiences for all group members.

- 1) You must be able to depart by 4:00 AM on Saturday, March 2<sup>nd</sup>
- 2) Attend the mandatory Pre-Trip Meeting: Wednesday, February 28th @ 6:00PM in Outdoor Adventures
- 3) There is a strong likelihood of capsizing, "flipping", in a kayak while in the water. Therefore, you are <u>REQUIRED</u> to pass our Water Comfort Assessment. Failure to pass will result in being dropped from the trip. We will make our way to the pool immediately following the pre-trip meeting to complete the assessment, therefore it is important that you bring swimming attire and a towel with you to the pre-trip meeting. The assessment includes the following:
  - a) Successfully complete a wet-exit (procedure for safely exiting a kayak if capsized).
  - b) Successfully tread water continuously for 3 minutes.
  - c) Successfully swim 2 laps (down and back once) of the 25 yard pool with any stroke.
- 4) You must have good swimming ability. You will be wearing a personal flotation device, but being able to swim is still VERY important.
- 5) Previous kayaking experience is <u>RECOMMENDED.</u>
- 6) You must be comfortable kayaking for 7 miles per day.

Outdoor Adventures trips are human powered and adventure-based, therefore, you should expect some level of physical exertion from all of our trips. It is important to consider your current level of physical fitness and any other physical or mental limitations you may have when deciding to participate in any of our activities. For clarification on any activities and the difficulty, please contact us.

#### Goals of an OA trip:

- 1) Have a fun time outside and away from campus!
- 2) Learn technical outdoor skills.
- 3) Connect with our natural world and learn how to appreciate the areas we travel.
- 4) This is a group experience, so emphasis is also placed on interacting and getting to know new people.
