### March Rock Climbing
**Pilot Mountain State Park, NC**
**Sunday, March 27th**

#### Trip Description:
An Outdoor Adventures classic brings you to Pilot Mountain for a full day of Rock Climbing. This is the perfect opportunity to try outdoor climbing for the first time, or to do it again for the 50th. We will start at some beginner routes and see how the group does before we move on to another section at Pilot Mountain. If you’ve taken our belay clinic, you are able to belay as well. Pilot Mountain is just a short drive from UNCG, making it a great resource, so come ready to climb and take in the beautiful views of the North Carolina Piedmont.

#### Trip Cost: Student = $25 ($35 for non-students)
Includes: transportation, equipment, instruction, and meals (lunch only on day trips)

#### Cancellation & Refund Policy: You must cancel **10 BUSINESS DAYS PRIOR** to trip departure date to receive a refund, minus a $15 cancellation fee. Any cancellation within 10 business days will receive NO refund. If Outdoor Adventures cancels the trip prior to departure, a full refund will be issued. You may transfer your funds to another trip as long as it is outside 10 business days from the trip date. No cancellation fee is applied for transfers if transferring 10 business days or more prior to trip departure.

#### Cancellation Deadline for Partial Refund: Monday, March 14th

#### Requirements to Participate:
The following requirements are required for your trip. If you do not meet or complete the following requirements prior to your trip, you will be removed from the trip without refund. These requirements are necessary to maintain safe and enjoyable trip experiences for all group members.

1. You must be able to depart by **6:00AM on Sunday, March 27th**
2. We encourage you to attend a Belay Clinic at our climbing wall so you can belay while on the trip. This is **not a requirement** to participate but recommended to get the full climbing experience! See our belay clinic schedule if you would like to register. The $5 clinic fee is waived if you are registered for a climbing trip.

Outdoor Adventures trips are human powered and adventure-based; therefore, you should expect some level of physical exertion from all our trips. It is important to consider your current level of physical fitness and any other physical or mental limitations you may have when deciding to participate in any of our activities. For clarification on any activities and the difficulty, please contact us.

#### Goals of an OA trip:
1. Have a fun time outside and away from campus!
2. Learn technical outdoor skills.
3. Connect with our natural world and learn how to appreciate the areas we travel.
4. This is a group experience, so emphasis is also placed on interacting and getting to know new people.

#### Planned Itinerary (these times are approximate and subject to change):
**Sunday, March 27th**
- Meet at Outdoor Adventures by 6:00AM (participants must be able to depart at this time).
- Depart for Pilot Mountain, do some ground instruction, and begin climbing!
- Take a quick break for mountain-side lunch, and continue climbing some different routes before heading back to UNCG
- Return to campus around 5:00PM, de-issue equipment and say goodbye!
Packing List:
Please contact us with any questions about the packing list. If your trip has a pre-trip meeting, the list will be reviewed in detail at the meeting. Please keep in mind that all activity specific equipment (tents, sleeping bags, etc.) will be issued on the trip or at the pre-trip meeting. Participants are expected to bring everything on the packing list and ask questions about any substitutions.
