

Mountain High Club Climbing Log

- Welcome to the Mountain High Club! Your goal is to climb the height of three of North Carolina’s most notable mountains!
- The three mountains are **Pilot Mountain (2,421ft)**, **Table Rock (4,101ft)**, and **Mt. Mitchell (6,683ft)**.
- As you climb each day record the number of routes you completed in one of the three categories corresponding to the routes height (54ft, 44ft, 34ft). If you’re not sure how tall a route is, ask a staff member!
- At the end of your session each day add the number of feet you climbed that day to the running total! (ex. John climbed 500ft in a session, his running total was 1000ft, John adds 500ft to 1000ft and his new running total is 1500ft).
- Make sure you have a staff member check your math and sign off on your new total each day!
- As you complete each distance you will be eligible to purchase new Mountain High Club t-shirts from the OA Store!
- Fall Session 1 ends on Thursday, October 5th, Good luck!

Name: Davis Preston

Date	54ft Climbed	44ft Climbed	34ft Climbed	Running Total	Staff Signature
8/25	3	2	4	386ft	<i>Alex Hauer</i>
8/26	1	3	2	640ft	<i>Alex Hauer</i>
8/30	0	2	1	762ft	<i>Alex Hauer</i>

Total Distance Climbed: 762 ft
